Dear Mr. Milo,

On behalf of the McGill Cancer Centre, I would like to express my sincere gratitude for your outstanding participation at the Défi Corporatif Canderel benefit concert "Opera DEFies Cancer" which took place on November 04, 2006 at the Salle Claude Champagne in Montreal.

The Musician's of the World Symphony Orchestra under your directorship has delighted all of our guests with the best of the world-renown arias. Carefully prepared program has satisfied and enchanted the most demanding opera lovers with the works of Mozart, Puccini, Rossini, Gounod and others. Thanks to your passion and dedication the concert and our fundraising event was a great success.

It is thanks to supporters such as yourself that the McGill Cancer Centre is able to host events such as this one in order to raise the much needed funding for cancer research. We are proud to count you among our loyal partners and we hope that you will join us again for future collaborations.

With Best Regards,

Magdalena Maslowska, Ph.D.
